

Camp Grace
Leadership Development
Assignment 1 Sept 2009

What are you thinking?!?

The things we think about are important. What we think about effects our hearts, our actions, how we interact with others and our walk with Jesus Christ. What do you find yourself thinking about most? In Matthew 22:37 Jesus commands us to love God with all of our mind. Paul tells us to have the same mind as Christ in Philippians 2:5 and later in Philippians 4:8 he tells us what to think about to help accomplish this task. Your assignment is to:

Read Philippians 4:8 and give two examples of the things Paul tells us to think about.

TRUE

NOBLE

JUST (RIGHT)

PURE

LOVELY

ADMIRABLE (GOOD REPORT)

EXCELLENT (VIRTUE)

PRAISEWORTHY

Challenge: Make an effort to think about these things and things like them. When you find yourself deep in thought, evaluate whether God would be pleased or not. You will find it easier to focus and communicate with God when your mind is in the right place. Remember we are supposed to love God with all of our mind, not just our heart.

Instructions: Mail or e-mail your answers in by September 20th.
